

ALFN SERVICER SCHOLARSHIP PROGRAM

ABOUT THE SERVICER SCHOLARSHIP PROGRAM

The purpose of ALFN's scholarship program is to provide the opportunity for qualified Servicers who, due to financial constraints, would be unable to participate in an ALFN conference without scholarship support. We have three scholarship award levels; Registration-Only that covers the cost of the conference registration fee, All-Inclusive that covers all the costs of attendance including the registration fee and travel expenses, and a Customized option that covers a portion of the costs related to attending the conference.

I. SERVICER SCHOLARSHIP AWARD PROCESS

A. ANSWERS

ALFN budgets for a set amount of scholarship funds to award for this program, and those funds are awarded at the sole discretion of the ALFN to eligible servicer applicants and based on the criteria below, and in section II.

1. Scholarship applications will be accepted through one week prior to the start of the conference. Applications received after this date will be approved based on remaining funds available.
2. Scholarship recipients will be approved by the ALFN's CEO using the criteria in section II, and will be notified within 7-14 days of application approval or denial.
3. Scholarships are not transferable. Scholarship recipients must notify ALFN if they cannot attend.
4. If approved, please note that servicers are only allowed to receive one all-inclusive or customized scholarship and two registration fee-only scholarships per servicing company.
5. All scholarship levels require a fully refundable deposit equal to 100% of the servicer registration fee, payable upon registration completion. Deposit refunds will be processed within three weeks after the conclusion of the conference and are dependent on the recipient's full conference attendance and availability to ALFN members during all scheduled conference sessions, dinners/receptions and other scheduled conference events.

B. BANKRUPTCY INTERSECT & FORECLOSURE INTERSECT

ALFN budgets for a small amount of scholarship funds to award for these programs, and those funds are awarded at the sole discretion of the ALFN to eligible servicer applicants and based on the criteria below, and in section II.

1. Scholarship applications will be accepted through one week prior to the start of the conference. Applications received after this date will be approved based on remaining funds available.
2. Scholarship recipients will be approved by the ALFN's CEO using the criteria in section II, and will be notified within 7-14 days of application approval or denial.
3. Scholarships are not transferable. Scholarship recipients must notify ALFN if they cannot attend.
4. If approved, please note that servicers are only allowed to receive one all-inclusive or customized scholarship, and two registration fee-only scholarships per servicing company. Or by waiving the all-inclusive or customized scholarship, eligible servicer applicants may receive up to four registration fee-only scholarships per servicing company.
5. All scholarship levels require a fully refundable deposit equal to 100% of the servicer registration fee, payable upon registration completion. Deposit refunds will be processed within three weeks after the conclusion of the conference and are dependent on the recipient's full conference attendance and availability to ALFN members during all scheduled conference sessions, dinners/receptions and other scheduled conference events.

C. ADVOCACY DAY

ALFN doesn't typically provide scholarships for our Advocacy Day event in DC, however exceptions may be made on an as needed basis where servicer representation is desired during any sessions and meetings with members of Congress. ALFN will make any necessary invitations to servicers directly for scholarships where we may have a need.

D. WILLPOWER

ALFN doesn't provide scholarships for our WILLPOWER event, however exceptions may be made.

II. SERVICER SCHOLARSHIP APPROVAL CRITERIA

Scholarship recipients must meet ALL of the following criteria in order to be approved, unless there is an exception made from the ALFN:

- A. The recipient must be an employee of a Mortgage Servicer or GSE for whom attending the conference would pose a financial hardship, or where your company doesn't budget funds for attendance at default mortgage servicing events hosted by ALFN or other like industry associations.
- B. To accept scholarship funds, the Servicer or GSE must confirm he or she is not violating any of their internal policies on gifting as set by your employer.
- C. The recipient must be registered as a Mortgage Servicer on the ALFN website (sign-up [here](#).)
- D. The recipient must be a servicing manager, executive (or general counsel) or other servicer staff member who has decision making authority or influence as it applies to attorney selection and assigning files.
- E. The recipient must agree to attend and be available to all ALFN members during the scheduled conference events (sessions, meals, receptions, group activities), and also agree not to accept an invitation from any ALFN conference attendee to attend a non ALFN event that would conflict with a scheduled ALFN event (e.g., no individual meetings, dinners, or other events should be done during any of the ALFN scheduled conference events).
- F. The recipient must agree to participate as a speaker on educational panels as invited, unless you are precluded from doing so from your company. This may include speaking in a General or Breakout Session.
- G. The recipient must agree to attend the conference in its entirety, for the conference in which you are receiving scholarship funds to attend.
- H. ANSWERS Only – The recipient must agree to participate in the Mortgage Servicer Member meeting on the first day of the conference (typically starts mid-afternoon), and is required to conduct at least two state-specific roundtable meetings scheduled at the end of the conference.

If you do not meet ALL of the above criteria, please contact ALFN at info@alfn.org to explore other ways in which we might assist in accommodating your attendance.
