About JPEG

Members of JPEG are either 39 years old or younger or have fewer than five years of industry experience and must be employees of an ALFN member organization. The group is designed to connect, mentor, and retain young industry talent through education, networking, career development, and profile-building opportunities. JPEG meets monthly via teleconference, hosts two networking mixers annually, manages a mentorship program, and publishes the Picture the Future List each year at the ALFN Annual Leadership Conference, ANSWERS.

About the ALFN

The ALFN is a national network of legal and residential mortgage banking professionals that leads the industry as a provider of strategic and timely education. The largest national organization of its kind, the ALFN offers members of the residential mortgage banking community high quality educational and training resources. ALFN's membership roster includes professionals from the following segments of the residential mortgage banking community: Legal, Residential Mortgage Bankers and Investors, Risk Evaluation, Investment Research, Consulting, Land and Title, Technology and Asset Protection.
